Our school strategies are on track to meet or exceed our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Provide focused teacher relief for small focused group work in reading and mathematics 1 day per week. Also focusing on the potential targeted U2B students.
- Develop and continuously monitor and adapt individual learning plans for reading and mathematics.
- JEMMS and EMMS implemented with teacher aide.
